Type & voice

Inter Variable · Available web font

font-face · https://static.linear.app/web/_next/static/css/layout.C0PJmvhY.css

Berkeley Mono · Available web font

font-face · https://static.linear.app/web/_next/static/css/layout.C0PJmvhY.css

Observed voice

Concise

Do

• Keep the short, declarative sentence rhythm found in the quoted copy.

Don’t

• Don’t expand a compact source line into a lengthy explanation.

In their own words

“Building tools for the next era of product development”

https://linear.app/about · markdown

“Built for the future. Available today.”

https://linear.app/about · markdown

“The product development system for teams and agents”

https://linear.app/ · markdown

Messaging & sources

Headline

The product development system for teams and agents

Purpose-built for planning and building products with AI agents.

Messaging pillars — quoted headings

• A new species of product tool. Purpose-built for modern teams with AI workflows at its core, Linear sets a new standard for planning and building products.

• Intake and integrations

• Planning and monitoring

• AI and automations
